MIRRORS

Vietnam is a growing market for luxury goods, with an increasing number of high-end resorts, hotels, and residential properties.

The demand for luxury mirrors is on the rise, driven by the growing number of affluent consumers and the increasing popularity of luxury living.

We use only the finest materials, including:

- High-quality glass
- Solid wood frames
- Metallic accents
- Marble

Our factory's skilled craftsmen pay close attention to detail, ensuring that every mirror is a work of art.

DESIGNER HOME

At MGA, we specialize in creating high-quality, custom furniture for discerning designers and their clients. Our team of skilled craftsmen and designers work closely with you to bring your vision to life, using only the finest materials and techniques. From concept to completion, we pay meticulous attention to detail to ensure that every piece meets the highest standards of style, functionality, and durability. Whether you're looking for a statement piece or a complete room design, we're committed to delivering exceptional results that exceed your expectations. Let us help you create the perfect space for your clients.

LIGHTING

From elegant chandeliers to sleek sconces, our lighting fixtures are designed to make a statement. We use only the finest materials and cutting-edge technology to ensure that our products are not only beautiful, but also efficient and long-lasting. Our team of experts works closely with clients to understand their unique needs and preferences, and tailor our products to meet their specific requirements.

We understand that lighting plays a crucial role in creating an unforgettable atmosphere. That's why we're committed to delivering exceptional quality and unparalleled attention to detail.

Whether you're a hotel owner, interior designer, or architect, we invite you to explore our collection of luxury lighting fixtures. Let us help you illuminate your space with style, sophistication, and elegance.

CONCRETE FURNITURE

Our concrete furniture is made from high-quality concrete materials, carefully mixed and poured into molds to create unique and durable pieces. The concrete is then allowed to cure, resulting in a strong and stable final product. The furniture is finished with a natural concrete texture or can be further processed to include color or texture. The result is a beautiful, modern, and functional piece of furniture that will last for years to come

OUTDOOR FURNITURE

We are committed to providing luxury hotels and resorts with outdoor furniture that exceeds their expectations in terms of quality, design, and comfort.

We specialize in designing and manufacturing high-quality, stylish outdoor furniture for luxury hotels and resorts. Our products are designed to provide maximum comfort and durability, while also adding a touch of elegance and sophistication to any outdoor space.
